

Circuit Assembly Notebook

2008 Service Year

Theme: "Do All Things for God's Glory." (1 Corinthians 10:31)

Jehovah deserves to be glorified. How do we glorify Jehovah? What challenges are some facing in this regard? What blessings come to those who glorify God now? The circuit assembly program for the 2008 service year will provide satisfying answers to these questions. It has as its theme "Do All Things for God's Glory." (1 Cor. 10:31) Consider what is in store for us during the upcoming two days of rich spiritual instruction.

The majority of mankind refuse to acknowledge God. Many are too distracted by human schemes to ponder the magnificence of Jehovah. (John 5:44) But we are convinced of the value of spending time considering how to "Do All Things for God's Glory." Plan to be on hand and to benefit fully from all four sessions.

Don't forget to take the current study issue of the *Watchtower* with you for the consideration of the study article.

(There is a full page for each talk. Once you get to the assembly and get a copy of the program, you can rearrange the pages in the order that the talks will be given. There are note pages for additional talks as well. This notebook is based on the published information in the August 2007 issue of *Our Kingdom Ministry*.)
